Recycling

Many of you will have received a new phone book this week so we thought it a good opportunity to remind you that School is still collecting paper for recycling. This includes newspapers, brochures and catalogues (Tesco and Argos have just released new editions) as well as your old phone book! The collection bin is in the car park near to the kitchen. The more paper we can collect the more money we can raise for school funds. Thank you.

Gardening Club

A quick reminder to all members of the club— as you are likely to be getting muddy over the next few weeks please bring suitable clothes and trainers or boots each Monday. Thank you.

You've only just got time.....

To enrol for the next "How To Drug-Proof Your Kids" course. It provides parents with knowledge about drugs, how to support and understand teenagers and great strategies for parenting in a relaxed and friendly environment.

Suitable for parents of children Year 5 and above, the course starts on Tuesday 27th September for 6 weeks - held at Poynton High School 7.15 to 9.15pm.

The cost? £20 each or £25 per couple including a free manual (some free places available).

"Excellent course - not just for drugs but other issues and pressures our children may go through. Many thanks"

"Would recommend this course to other parents as it has been a great learning opportunity."
